

# **First Ballot Finds Bonds S.B. President**

Sign-ups for student body offices began on Mon., April 18, and as in previous semesters, many qualified Regents showed up in the student cabinet room to take their place among the competing Reseda politicians. As the week for sign-ups progressed, quite a few applications were turned in by the deadline, which was April 21 at 3:30 p.m. Primary elections were held on Wed., April 27.

Each candidate for office has attempted to present new and interesting programs for the student body, but most ran on the age-old platform concerning school spirit. Whether the spirit be athletic, scholastic, social or otherwise, it was discussed from many different angles.

Running for student body president were B-12's Paul Bonds, Harry Clampitt, and Mike Pierson. Suzy Unger ran unopposed for the office of executive vice-president. Competing for social vice-president were B-12's Niki Boon and Tina Moore. Opposing Regents for the office of recording secretary were Dawn Christensen, A-11; and Kerry Marshak, B-11. For the office of corresponding secretary, B-12's Chris Colton and Gelene Weiner traded campaign oratory. Cynthia James, A-10, ran for treasurer.
