The Night Will Never Stay

The night will never stay,
The night will still go by,
Though with a million stars
You pin it to the sky,
Though you bind it with the
blowing wind
And buckle it with the
moon,
The night will slip away
Like sorrow or a tune.

FIRELIGHT AND FROST

The Ladies and Knights of Reseda labored long and hard to present the best possible Christmas formal. All attending found the Girls' Gym enchanting. The red and white decorations and the huge trimmed tree made obvious the theme—Firelight and Frost. Dean McCarthy's band provided the dance music and Peggy Wilms sang a few solos to entertain the couples present. Candy canes and red punch were served by the Squires, and the Demoiselles checked coats. All the ingredients blended well, resulted in an elegant evening.
