### EPHEBIAN SOCIETY

To a senior, becoming an Ephebian is the highest honor that can be attained; and rightly so, for only a few achieve this goal. This year the graduating classes of Reseda High School, in conjunction with the faculty selected outstanding members of each class to represent the Ephebian society. The students are chosen for their outstanding leadership ability superior to the school. The first Reseda Ephebians were chosen in 1957, and set high standards for those students who followed. The summer and winter classes of 1966 have chosen these Ephebians who will continue to keep the high standards of Reseda High's Ephebian Society.
