

Sports Memories: Track

Varsity Track

Under the able direction of co-coaches Steve Haas and Roy Jae, the Regent varsity track team expects to finish in a respectable position in a very rough West Valley League. The backbone of the team this year is made up of the returning lettermen. The six returning lettermen are Mike Glascock in the mile, Steve Silman in the 880, Bob Metcalf in the long jump and high jump and Tom Norris and Mike Faherty in the pole vault. This year's Regent squad is fortunate to have the talents of a fine Junior, Dan Griffiths, who is scoring points for the varsity in the hurdles and long jump. The high jump, led by Ron Brown and Bob Metcalf, has been a good point-getter for the Regents in many dual meets. The varsity shot put is also a strong event for Reseda, and it is led by Jerry Anderson who is consistently hitting the 49 foot mark. He is backed up by Laury Frankel. This year a new event was added to the relays. It is the four-man 880 which is made up of Rich Reed, Jerry Boyer, Dan Griffiths and Doug Meyers.
