Italics are married names from a few years ago and may no longer be accurate.

Found since the last update in 2008:

- Linda Bard George

- Jay Goodwin
- Karin Horwitz (now Kaya Celeste Wilde)
- Ronald John Law
- Diane Machado (on Facebook)
- Gerrie Warner (lives in Sweden)
- And Elizabeth Thurston (now Beth Hopkirk) is back from the "dead." She wrote us to say her listing on the Memoriam page was quite premature!
